DIRECTOR OF NAVAL INTELLIGENCE

1 August 1988

Dear Judge Webster,

Thank you for the Central Intelligence Agency's support in providing an outstanding series of intelligence briefings for three prospective air wing commanders and accompanying officers on 19 July 1988.

Captains Christie, Coward and Ford, U.S. Navy, were impressed by the expertise of your analysts and the information provided was both relevant and timely.

I especially appreciate the personal involvement of [redacted] of your Intelligence Liaison Staff in arranging the briefing program. Additionally, the assistance of [redacted] at NPIC resulted in a productive and educational briefing session at that command as well.
